Re: Scott Moskowitz, Blue Spike, LLC v. Texas Instruments, et al.

Good Afternoon Rick,

I'm a colleague of Chris Honea and Randall Garteiser working on the Blue Spike, LLC litigation. We have been asked to produce some documents in connection with the case involving the signal abstracting patents (7,346,472; 7,660,700; 7,949,494; and 8,214,175). All four patents claim the benefit of several applications and three patents. I have reviewed the original jump drive that you sent to our office. We are attempting to do our due diligence and make sure we are producing what is available and relevant.

Does your office have any other files than what was provided on the jump drive? Specifically, I'm looking for the prosecution histories and any related documents for the following patents which I have to date been unable to locate:

5,613,004 (Ref SCOT0012-1)
5,745,569 (Ref SCOT0013-1)
5,889,868 (Ref SCOT0010-1)
6,078,664 (Ref SCOT0023-1); application # 08/772,222 - Dec. 20, 1996
6,598,162 (Ref SCOT0014-1); application # 09/046,627 - Mar. 24, 1998
6,205,249 (Ref SCOT0019-1); application # 09/053,628 - Apr. 2, 1998
6,522,767 (Ref SCOT0010-2); application # 09/281,279 - Mar. 30, 1999

I realize many of these may predate your representation of Mr. Moskowitz, but please let me know at your earliest convenience.

Regards,

Peter Brasher / Attorney
